GRAD WRITE-UPS for THE BUZZ

Complete and drop it off at the office by
March 21

YOUR NAME: _____

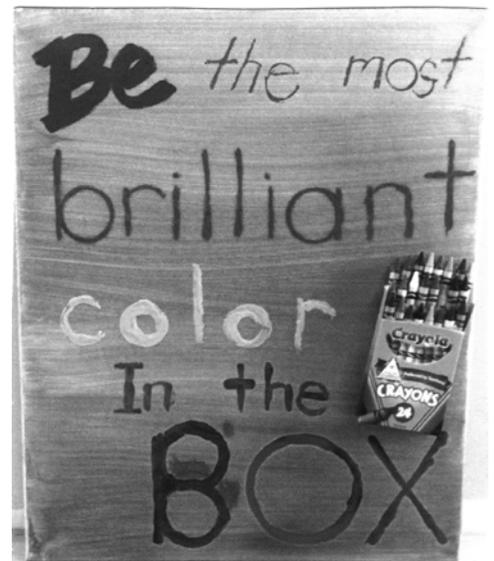

Grads – it’s time to create something to accompany your photo in the Fort High Buzz publication! Your options are:

- **Write a brief (80 word maximum) message** – thoughtful, funny, wistful, factual – whatever you like, subject to the rules below. Write it (legibly) on the back of this page using complete sentences, properly punctuated (your write-up may be edited for length or style, but we like to do as little editing as possible). You may also type your message and hand it in with this package– either way, be sure YOUR NAME is on the message.

OR

- **Create a graphic** (like the one to the right) – it could be a sketch or drawing, small poster, any kind of image that you will be happy to show to your children in ten years. We can handle any printed version up to 8.5 by 11 inches, or send us a digital file. Remember this is a colour book – make your graphic colourful! Keep in mind that the printed size in the publication will be about 2 inches by 2.5 inches, so be sure any text, etc. is large enough to read.

However you choose to leave your mark, here are the rules.

You **may not**:

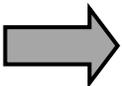

- Make references to alcohol, drugs, or anything disturbing or disgusting.
- Use unacceptable references or language (and if we don’t know what you are talking about, we’ll probably just cut it) - that includes details of events and relationships that should remain private.
- Refer to other people (including those outside our school) by names, initials, numbers (as in team numbers), or nicknames – one exception would be the author of an appropriate quote that you have included with your write-up (quotes are a great idea, incidentally.) You may also name teachers and staff within the school - we value sincere thanks, and we will check with the individual concerned before using their name.

We would strongly encourage you to treat this as the only school assignment that you will still be able to find in 10 or 20 years when you dig it out to show to your kids – so make it your best!

Here’s how to get it to us:

Message – Drop it off in the office with this package.

Graphic – Submit a hard copy to the office (be sure your name is on it), or email a JPG (preferred) to Mr. Packer at Arthur.packer@eips.ca or to Ms. Bous at Claudia.bous@eips.ca.

Remember, The Buzz is all about memories, and we hope your contribution is something you will be proud of for the rest of your life!

Post-Grad Plans

As you walk across the stage during the graduation ceremonies, we would like to mention some of your plans for the future. Please provide a statement that summarizes your plans after graduation. (For example: program in post-secondary; apprenticeship program; travel plans; work plans; what you'll be doing next year.)

Remember, this will be read as you walk across the stage at grad, so keep it respectful.

Please keep it to 15 words or less.

The names of Grads will appear in the program, be printed on certificates received during the ceremony and will be used to alphabetize grads by last name. If you wish to use a name other than your legal first and last name for these purposes, please indicate below:

(please print)

Please note: The official Certificate of Graduation that you receive from Alberta Education will have your legal name on it.

We love to see where our Grads are headed! We will be having stars like these as part of our decorations. Please let us know what to write on yours!

*Write
