

Scholarship

The Ed Stelmach Community Foundation Scholarship has been created to support graduating high school students in their journey into post-secondary education.

The ESCF is dedicated to assisting Alberta charities - especially those in the greatest need who may not receive the funding they deserve or require. This scholarship is a reflection of that commitment. Geared towards students who may require financial assistance, the scholarship will be given to the applicants who demonstrate perseverance through difficult situations, are committed and involved in their community, and who have clearly determined and outlined their future goals. Three scholarships will be awarded annually, each consisting of \$2,500.00.

In order to apply:

The applicant must be completing Grade 12 at a public or Catholic high school in the following towns/cities: Andrew, Lamont, Two Hills, Fort Saskatchewan, Ryley, Tofield, Viking, and Vegreville.

The applicant must be accepted into a post-secondary institution and present confirmation of acceptance (available from the registrar's office)

The applicant must have a mark of 80% or higher in Social Studies.

The applicant must write a 500 word (max) essay addressing:

- Future goals;
- Community involvement/extra-curricular activities;
- Life instance(s) or event(s) when they persevered through a hardship;
- And may include specifics regarding need for financial assistance.

The applicant must obtain a reference letter from a community member (example: teacher, community leader, spiritual leader, etc.) determining why the applicant should be awarded the scholarship.

If interested in this scholarship, please print and complete the application. Attach the application form to the essay, reference letter and confirmation of acceptance.
