Please make sure that you include all of the information required. Applications received with missing information or requirements (other than final marks if they are available by July 30) will not be considered.

Only the successful candidates will be contacted unless additional information is required by the selection committee in order to reach a final decision. (There may be the need for a personal interview.)

While school marks are important especially for acceptance into the post secondary institutions of choice, because Rotary International is a service organization whose motto is "Service Above Self", more weight is given to evidence of leadership, service and volunteerism by the applicants.

Financial need is NOT a primary criterion for receiving a Rotary Scholarship, but may be taken into consideration by the selection committee.
